## *Historic Moments!*

January 22, 2021

Dear parents/guardians,

Historic moments are easily missed! Last night at 9:21 p.m. in each time zone, one such moment occurred. At precisely that moment in each time zone all humanity experienced the 21<sup>st</sup> minute of the 21<sup>st</sup> hour of the 21<sup>st</sup> day of the 21<sup>st</sup> year of the 21<sup>st</sup> century! What was making history at that moment in your home with your family last night?

God designed us as major players in his orchestration of history. We alone bear His image. We alone are offered the opportunity of embracing and living His will and Kingdom. As we do, we join Him in ultimate and divine purpose. This engages us with God in the Lord’s Prayer, “Thy Kingdom come, thy will be done, on earth as it is in Heaven.”

I became aware this week of the existence of two differing school calendars, to my deep sadness. On October 30, 2020, I sent an updated calendar to all parents in the Friday Letter. Unfortunately, I didn’t update the FJS website to reflect this updated change. Sadly, at least one parent made Spring Break plans from the unchanged FJS website calendar I had failed to update. I am really sorry for this. I hope no one else is also negatively impacted by this oversight on my part. I’ll send a fresh PDF of the updated calendar I sent on October 30 in the Friday Letter, and get assistance in updating our website to the fully corrected calendar as well.

God bless your weekend,

Dwight Nisly, for the FJS staff
